Question 19: Rhythmic Dictation CD Track 3

1. Read the test question aloud and answer any questions.
2. Explain that a four-measure example will be played all on one pitch. Tell students the following:
The students are to draw the types of notes they hear, where they are needed in the 2nd and 4th measures. The 1st and 3rd measures are printed on the test and the bar lines are already drawn.
3. Establish the tempo and beat by tapping and counting aloud two measures before each time you play. **Do not** count or tap while playing.
4. Play the example through, accenting the first beat of each measure.
5. Play again while the students clap and count aloud.
6. Play again. Pause, giving the students time to write.
7. Announce and play the first two measures. Pause. Repeat.
8. Announce and play the last two measures. Pause. Repeat.
9. Play all four measures once again for a final check.
